## Proehlfic Park Leadership Training

Proehlfic Park is proud to introduce a new take on leadership and team development; Proehlfic Park's Leadership Training Program. This program engages your team with talented and professional leadership trainers including Ricky Proehl, 17 year NFL Veteran and NFL Super Bowl Star, and Liz P. Summers, accomplished speaker, mentor and trainer with over 10 years of successful team building experience. Assessments are matched with physical activities to reinforce team building, resolve conflict and improve team effectiveness for a broad array of activity levels. Get out of the office and join us for a Full or Half Day Training for your group, all hosted at Proehlfic Park's state of the art sports complex. We look forward to seeing you!
